

Big Bull Power..

FERNWOOD FARM

Shorthorn Sale

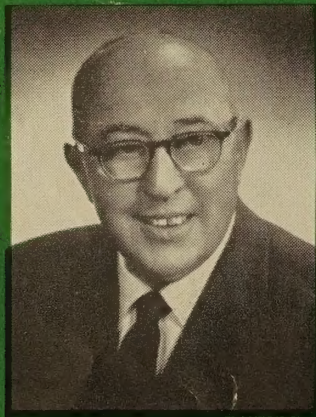

Barrington, Illinois

SATURDAY, MAY 27, 1967

Glastullich Cock Robin, the National Western and Ft. Worth grand champion, was senior stock bull at Fernwood until his untimely death last winter. He, and cows like those pictured, have produced many of the cattle selling.

Welcome To Fernwood

A. C. BUEHLER

RALPH PEAK

SINCE THE GRAND OLD DAYS of Edellyn and Marellbar and their great sale series, it has become traditional for breeders to journey to Chicagoland in June for the very best in Shorthorns. Edellyn, Marellbar, Kickapoo, Ringwell and others led the way. Their sales were glamorous affairs and their cattle blazed a trail of excellence across the continent.

These great herds are gone now, but we at Fernwood hope to continue their noble tradition for the good of Shorthorn breeders everywhere.

In the last three years, Fernwood has undergone a most extensive culling program. Many beautiful females purchased at long figures around the world have been removed because their production records did not come up to par. Those that remain are here because they meet high standards of conformation, performance and pedigree. We firmly believe that only cows like these can produce bulls that will genuinely improve the breed.

Each of us at Fernwood is proud of the young bulls and females on offer May 27. Although it is our third production sale, it is the first one at the new cattle headquarters at Barrington, and nothing has been spared to make it our strongest offering to date.

Come as early as you like on sale weekend. By that time the rush of spring work should be over and you'll owe yourself a vacation. It promises to be an ideal time for the clan to gather from all over North America and each of us at Fernwood will do our part to make your visit a memorable one.

Cordially,

A. C. Buehler

On the front cover

THE MAGNIFICENT bull on the cover is the powerful young Bapton Guardsman, senior stock bull at Fernwood. Guardsman was purchased at \$25,000 from Scotland's most respected herd. He is by the \$22,500 Glastullich Garrison and combines the prepotent blood of Calrossie Hyperbole, Kirkton Baronet and Kirkton Hercules. Many of his sons and daughters sell and a large number of females carry his valuable service.

RENOWN'S ROSEWOOD
Reserve grand champion, 1967 Denver National Western.

RENOWN'S ROSEWOOD was reserve grand champion at the big 1967 National Western Stock Show for Fernwood Farm. This beautiful daughter of Allwood Renown is out of Barbarian Rosewood 6th and now is an important member of the Fernwood brood cow herd. From left in the photograph are Judge Herman Purdy, Pennsylvania State University; Western Lassie Queen Loretta Mathias; Fernwood Farm manager Ralph Peak and Fernwood herdsman Harold Bailey.

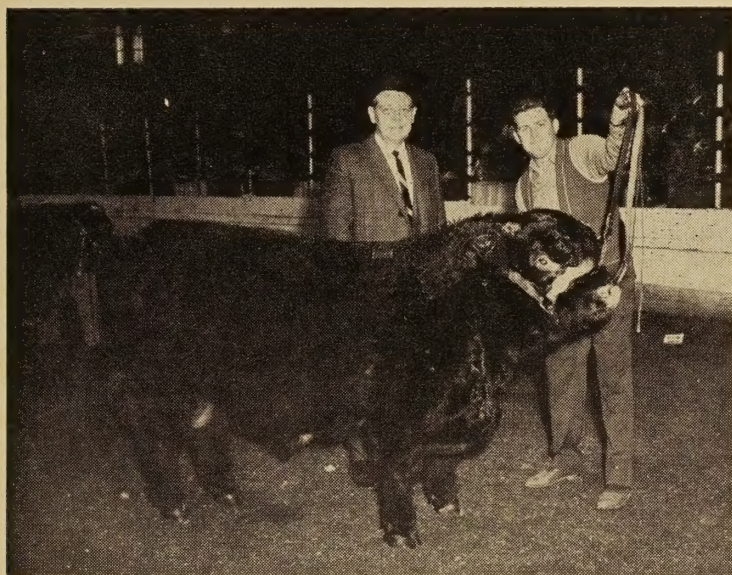

Fernwood Secret was grand champion female of the Illinois State Shorthorn and Polled Shorthorn Sale for The Royal Tartan Herd, Lockport, Ill. She topped the females at \$1,100 to Bilmar Farms, Durand, Mich. This good heifer had been purchased in dam at Fernwood.

Royal Tartan King was grand champion of the American Royal and first at the International for The Royal Tartan Herd, Lockport, Ill. This son of Bapton Guardsman had been purchased in dam in the Fernwood 1965 Sale.

Fernwood Attack by Bapton Guardsman was reserve grand champion of the Ak-Sar-Ben National Show and Sale in Omaha in December. He topped the sale at \$2,350 (for 2/3) to Clinton Love, Conrad, Mont.

Royal Tartan Guardsman by Bapton Guardsman was third in class with the grand champion at the International. Shown by Royal Tartan, he was bought in dam at Fernwood Farm.

FERNWOOD LORD — Cattlemen of all breeds concur: Fernwood Lord is easily one of the best young bulls that will be offered for sale this year. Many good bulls have trod the pastures at Fernwood, but none have held as much promise nor carried a more whole-hearted recommendation. He has most of the best of what is desired in stock bulls today. First in class at the mighty National Western, he went on to All-American honors. He weighed 1,540 pounds on April 1. Remember that Bapton Balmoral was senior stock bull at Glastullich prior to its purchase by Northwood. His sons include the \$22,500 Glastullich Garrison, sire of our own \$25,000 Bapton Guardsman and the \$7,200 Glastullich Sunshine. Kirkton Hercules wrote breed history at Bapton and is the grandsire of Bapton Pioneer. Tolquhon Bosco cattle are noted for their size and substance. Two excellent examples are Level-dale Peerless and the \$6,300 (for two-thirds) Leveldale Goodwill. Crichton Chattaway sired the \$1,500 heifer sold to Boll Weevil Plantation in our 1965 sale.

THERE HAVE been many visitors to Fernwood in the last few years and each has been high in his praise of Bapton Guardsman.

Bapton Guardsman was marked as a stock bull of exceptional magnitude from the day he was born. Originally slated for service in Scotland's historic Bapton herd, it took \$25,000 to bring him to this country.

Guardsman is by the \$22,500 Glastullich Garrison that was sold to Bapton after Northwood Farms purchased the entire Glastullich herd in Scotland. Garrison in turn is backed by Bapton Balmoral and Cruggleton Balmoral. His dam is Glastullich Grace Floss that is from the same family that produced Calrossie Constellation. She is by Calrossie Hyperbole, a son of Calrossie Welcome.

The dam of Bapton Guardsman is Bapton Marilyn Broadhooks by Kirkton Hercules. She is also the dam of the 4,000 gn. Bapton Connoisseur; the dam of Bapton Clanroy, stock bull at Coldoch for three seasons and then

FERNWOOD GUARDSMAN — One of the biggest bulls for his age on the farm, the monthly weights on this calf are among the best we've ever recorded. He has exceptional length of body, bone and hind quarter. His strong, masculine head and great character come as much from Bapton Guardsman as from the powerful Findowrie Princess Maud 7th, one of the best daughters of Glamis Grenadier. Added crosses of Calrossie Highland Monarch and Calrossie Constellation add lustre to an already powerful pedigree.

FERNWOOD GUARDSMAN 3rd — Those who want to put the emphasis on size and substance would do well to consider this big son of Bapton Guardsman since he weighed well over 1,100 pounds at 13 months. The Millhills Pauline family has been known for its production of good ones for generations. Proof positive is Tolquhon Paulina, the big strong dam of the 3rd. This is the kind of bull that will grow and develop each day you own him. Certainly his pedigree indicates breeding ability.

Left: FERNWOOD GUARDSMAN 3rd, Lot 3.

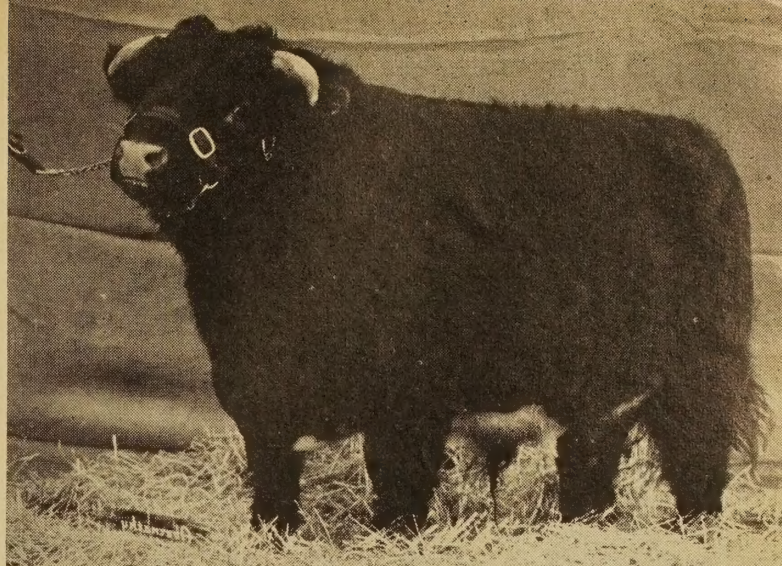

sold at a high figure to South Africa; and the dam of the 4,000 gn. Perth first prize winner, Bapton Onward Bound. Kirkton Hercules was perhaps the best breeding son of the famed Kirkton Baronet and was out of the popular Calrossie Rothies Queen family.

In the fourth generation of Guardsman's pedigree are also crosses of the well known Lawton Field Marshal and of Bapton Upright, sire of the all time world's record priced Pittodrie Upright, the Perth supreme champion.

Bapton Guardsman is breeding exceptionally well at Fernwood. In 1966 sons won the grand championship of the American Royal and the reserve grand championship of the Ak-Sar-Ben National Sale. Four of them won All-American honors for Fernwood and its customers and his junior get-off-sire was third at the International Livestock Exposition.

Featured in this spring sale are six sons and 12 daughters of Bapton Guardsman. Fernwood offers them with pride and has the fullest confidence that they can help some of the strongest herds of the world.

FERNWOOD GUARDSMAN 6th — Fernwood Fireball is one of the best young bulls ever developed on the farm and this full brother easily can claim the same distinction. You'll be impressed with his exceptional length — a trademark of the Guardsman sons — strong bone and rapid gaining ability. Modern beef cattle economics call for high feed conversion and high dressing percentage and certainly this good prospect will give them to you. Northwood Flossy Fern is one of our best and most prolific daughters of Bapton Guardsman and the kind you'd be proud to call the dam of your stock bull.

Right: FERNWOOD GUARDSMAN 6th, Lot 5.

FERNWOOD FIREBALL — You tell us which of the sons of Bapton Guardsman is his best to date. Certainly Fireball is one of them with his great size, bone and substance. Here is a two-year-old raised under practical conditions, hardened out and ready to work. With a grand head and expression, he gives every indication of being a breeding bull. Northwood Flossy Fern is easily one of the best Bapton Pioneer daughters and she's a regular producer of good ones. Bapton Cairnbrogie was Perth top-seller and is a full brother to the immortal Bapton Constructor. The Calrossie Floss family is one of the breed's most dependable and has produced many winners including two International champions.

FEW BULLS ever trod the tanbark with more friends than Glastullich Cock Robin, grand champion of both the National Western and the Ft. Worth stock shows. Cock Robin also won his class at the International and won All-American honors in 1963.

Cock Robin is a son of Glastullich Rosewood Robin, the bull left by Northwood in Scotland to head their herd at Boghead. In the 1962 sale three Rosewood Robin sons sold for \$6,250, \$3,700 and \$3,200. Rosewood Robin was out of Glastullich Rosewood Ruth by Bapton Captivator and from the most prepotent and prolific female line in that famous old MacGillivray herd. Be sure to see the Rosewood females at Fernwood on sale day, they are among the best in the world.

The dam of Glastullich Cock Robin is Glastullich Augusta Rose, one of those sweet daughters of Calrossie Hyperbole that are valued for their sweetness and femininity. She is a granddaughter of the world-famous Calrossie Ocean Wave that wrote breed history for Mrs. Hugh Fenwick's Boll

GLASTULLICH COCK ROBIN was one of the most popular show bulls of the century. He is shown winning the grand championship of the Denver National Western Stock Show. Two sons and two grandsons sell.

Two Sons and Two Grandsons Sell of the Denver

FERNWOOD COCK ROBIN, Lot 7.

FERNWOOD ARTHUR — Only two sons of the late Glastullich Cock Robin are being sold and many choose this good young bull that is ready for service. Remember Cock Robin was grand champion at both Denver and Ft. Worth and won All-American honors. Burnton Augusta Agnes is a strong red cow by the Perth champion Crichton Buzzard.

Calrossie Hyperbole and Calrossie Crocus Count both were known as sires of females of extreme prepotence. Here is the best of both Burnton and Glastullich.

Weevil Plantation, Waynesboro, Ga. Glastullich Augusta Rose also produced Glastullich Sunshine that sold in the 1961 sale at \$7,200 to Emile Cammaert, Rockyford, Alta.

The first three sons of Glastullich Cock Robin sold between nine and 11 months at \$3,050, \$3,000 and \$2,150. One of them went on to win the grand championship of the American Royal where Cock Robin's junior get-of-sire was first in class.

Most important of all is that Glastullich Cock Robin stamped each of his calves with his own great, thick beef pattern. They are remarkable in their uniformity with great width, depth, smoothness of fleshing and strong lower thighs. In other words, they are strong where it counts most in modern beef production.

Glastullich Cock Robin was lost last winter so this will be the final opportunity to acquire his sons and daughters in number. Two sons, two grandsons, 14 daughters and granddaughters sell on May 27.

GLASTULLICH ROAN ROBIN, grand champion, American Royal, and top of the 1964 Fernwood sale going to Rasmussen Bros., Goldfield, Iowa.

and Ft. Worth Champion Glastullich Cock Robin.

FERNWOOD ROAN ROBIN 2nd — Sons of Glastullich Cock Robin are noted for their exceptional thickness, strong loins and good quarters. At Fernwood we believe in growing them out into big, hard bulls, ready to work and improve. Jane Wimple is from the time-honored

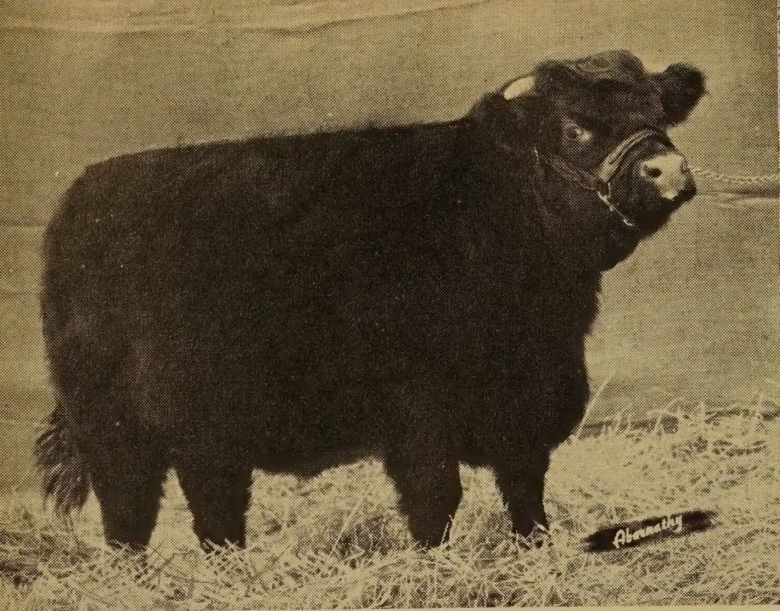

FERNWOOD GOLD RESERVE, Lot 9.

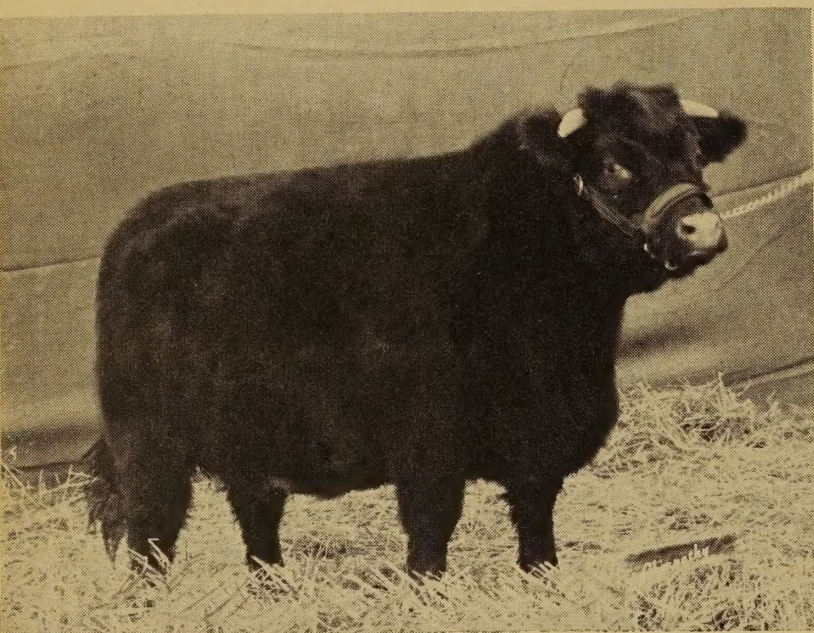

Saltoun family that gave the world Westdrums Wayfarer and many other stock bulls. Jane Wimple also produced a heifer that sold in the 1964 sale to Bilmar Farms, Durand, Mich., at \$1,000. This young bull has worlds of substance, type and growing ability. Backed with some of the breed's most notable blood, he can hardly miss as a sire.

12 Daughters of Bapton

FERNWOOD QUEEN ELLEN — Rare is the day when Fernwood or anyone else lucky enough to breed a female like this will offer her for sale. We do so only to make this auction an outstanding breed-building event. Islabank Queen Ellen was one of the sweetest females to come to Fernwood with the purchase of that classy herd. She was reserve grand champion female at Perth in 1959. By Bapton Guardsman and in calf to Glastullich Cock Robin, this heifer gives you the combination that has done so much for Fernwood and the breed.

FERNWOOD BROADHOOKS 4th — It would take volumes to chronicle the illustrious history of the Calrossie Broadhooks family throughout the world, but this one should add glamour to the record. Aberfeldy Una Broadhooks was purchased at a long figure from Reford Gardhouse and has paid off handsomely since. With exceptional thickness and character, the 4th should give her new owner a wonderful calf by Glastullich Cock Robin.

AT FERNWOOD on MAY 27 you will be privileged to see sons of the great females of the breed that were assembled from throughout the United States, Canada and Great Britain. The foundation was selected several years ago at great cost and included some of the most choice complete herds of the breed, like Findowrie, Glastullich and Islabank.

However, anyone can assemble great cattle. Working them into a breeding program for the benefit of the entire breed is something else again. Today the Fernwood cow herd of over 100 females has been selected from numbers three times that large. No herd has undergone a more ruthless culling program. If a female doesn't produce as well or better than herself at Fernwood she just doesn't stay.

Today the Fernwood breeding program has progressed to the third and fourth generation . . . and only time and careful selection can weld any foundation into a truly great breeding herd. The cattle that you will be buying on May 27 are the result of such a carefully conceived program.

FERNWOOD NESSIE — The Kair Nonpareils are undoubtedly the most prolific and successful family ever developed by the Andersons of Scotland. Remember that Calrossie Crocus Count also sired the International reserve grand champion Kair Ranger and many others. This big daughter of the \$25,000 Bapton Guardsman has caught the eye of all recent visitors to the farm. In calf to Glastullich Cock Robin.

Guardsman Will Sell!

Twelve daughters of Bapton Guardsman sell! They are cataloged on the following four pages. Each one has been hand picked to make this sale the best the breed has seen in years. Every female could take a prominent position in the Fernwood cow herd. Because A. C. Buehler and the staff at Fernwood have the best interest of the breed in mind, these cattle will be sold.

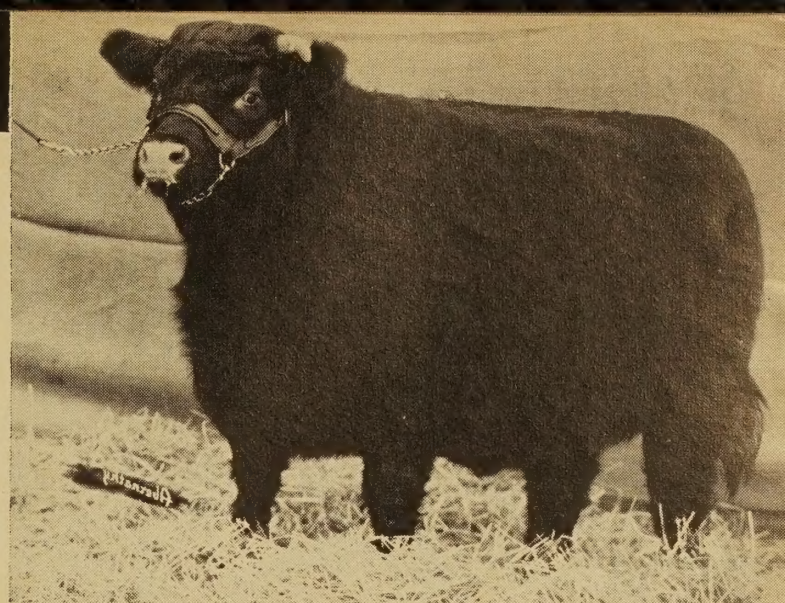

Few Bapton Guardsman females have ever been sold. They form the nucleus of the future Fernwood herd. The sons of Guardsman, however, have met with the universal approval of cattlemen everywhere. Bulls like the Ak-Sar-Ben reserve champion and top-seller, and the American Royal grand champion, prove that sons of Bapton Guardsman are the correct modern type. In a breeding program designed for breed improvement, the brood cows must come from lines like these that have produced successful stock bulls. Such a line has been founded by Bapton Guardsman. His daughters are destined to produce stock bulls of the first magnitude. Which of the 12 will you select?

2000⁰⁰ Acadia Farms

Lot 14 FERNWOOD CLARA CAROL 3234-922

Female, red, calved Apr. 1, 1965. Bred and owned by Fernwood Farm, Barrington, Ill. Tattoo LE FFC31C

Burnton Clara Clausen Dk. roan, Alex Anderson	

FERNWOOD CLARA CAROL — Our highest recommendation goes with this beautiful young daughter of the \$25,000 Bapton Guardsman. She is the kind that makes cattle breeding a real pleasure and we part with her reluctantly. She is a full sister to Fernwood Follower, our first Bapton Guardsman son to win his class at Denver. In her illustrious line of ancestors you'll find the hard-to-come-by Beaufort Bulldozer and Kirkton Hercules crosses. In calf to Fernwood Gold Reserve.

Glastullich Augusta Annis Red, Wm. J. MacGillivray	

FERNWOOD AUGUSTA 2 — Glastullich Augusta Annis is perhaps the best individual and best producer in the herd. Her daughters and granddaughters have established a female line second to none. Calrossie Courtier was the sire selected for the Glastullich herd by Willie MacGillivray from the herd of his late father. An open heifer, she would make an excellent spring yearling show female.

FERNWOOD GIPSY — Northwood Pioneer Crown was the \$9,000 top of the 1961 Northwood sale. His dam, S & T Augusta 5th, is one of the best cows in the herd and a prolific producer. The Prumplestown Gipsy tribe is perhaps the best from Ireland. They are noted for their exceptional size and length. This is a big, growthy young cow that should make an excellent brood matron. Bred to the \$25,000 Bapton Guardsman.

Lot 24 FERNWOOD MONA 3244-134

FERNWOOD RENA RAMSDEN 2 — Daughters of Bapton Guardsman are making wonderful brood cows for us and this fancy open heifer can do the same for you. Calrossie Courtier was used successfully at Glastullich before the herd was purchased by Northwood. Glastullich RENA Ramsden was one of his better daughters and has produced well. Sells open.

Big Bull Power..

New Power for a Great Breed
Great Breeding for New Power

ALLWOOD RUSTIC KING

NEVER HAS A YOUNG BULL been used by a major herd with more confidence. Allwood Rustic King was purchased among the tops of the fall Louada Manor Farms Sale. By Louada Rothes King, he brings the influence of that great sire to Fernwood. Moreover, he is out of the \$5,300 Louada Blood Royal 35th that also produced the \$7,200 Allwood Regal King in service at Boyden Farms. She is a full sister to Louada Barbarian, Louada Broadsword and a half sister to Louada Galahad, Louada Beaver and Louada Battleship. The Millhills Blood Royals at Louada have been their most prolific and profitable producers of stock bulls. The granddam of Rustic King is Blood Royal 33rd, dam of Louada Royal Leader and granddam of Louada Rothes King. Allwood Rustic King is service sire of many of the females selling.

GLASTULLICH COCK ROBIN

MUCH HAS BEEN WRITTEN about the magnificent Glastullich Cock Robin. A show bull without peer, he was grand champion at both Denver and Ft. Worth and won All-American honors. A son was American Royal grand champion and his junior get-of-sire was first in class there. Much of Cock Robin's popularity rests on his supreme conformation as a beef bull. His exceptional thickness of loin and quarter and great strength of lower thigh, spell profit in today's beef cattle business. Since this grand sire is gone now, this will be the last opportunity to buy his sons and daughters.

BAPTON GUARDSMAN

STOCK BULL EXTRAORDINARY is the great Bapton Guardsman, senior sire at Fernwood Farm. From the day he was dropped in Scotland's historic Bapton herd, he was acclaimed as one of the best bulls of the decade. Originally slated for service at Bapton, it took \$25,000 to bring him to this country. Since then his record has been meteoric.

Sire of four All-Americans, sons won the grand championship of the American Royal and the reserve grand championship of the big Ak-Sar-Ben National Show and Sale. His junior get-of-sire was third at the International for Royal Tartan and each member had been purchased from Fernwood in dam, proof of his unmatched prepotence as a stock bull.

Few daughters of Bapton Guardsman have been sold to date because on them rests the future of the Fernwood herd. In this sale 12 will be offered. Each one could take her place in the Fernwood cow herd. They offer a rare opportunity to tie to a new bloodline of increasing importance to the breed.

BURNTON ELIZA 6th — Here is a rare opportunity to buy one of the greatest show cows that Scotland has ever known. Although we don't have complete records, we cannot find that she was ever defeated in five years of showing. This cow was imported along with two daughters and three granddaughters, or she would never leave Fernwood. The added bonus is her service to Louada Roths King himself, senior stock bull at Louada Manor Farms. What a calf that should be!

BURNTON ELIZA 6th was one of the all-time great show cows in Scotland. She sells as a special attraction as Lot 29. A large number of daughters and granddaughters are retained in the herd or this magnificent female would never be offered.

Fernwood Great! Eleven Sell on May 27!

MORPHIE SALLY BROADHOOKS — The Andersons of Scotland have been breeding females of size and scale for years and this one is typical of the best. With strong concentrations of Cruggleton breeding and of the immortal Orange Talisman, herself, the pedigree will stand with the strongest in any herd. Sells with a March 13, 1967, bull calf at foot by Glastullich Cock Robin, our Denver and Ft. Worth grand champion.

Lot 31 GLASTULLICH AUGUSTA GRANIA 3189-492

FINDOWRIE CHARITY 2nd — Imported females are next to impossible to find these days as it's very difficult to bring them over from Scotland. Here is one of the old country's best sired by Glamis Grenadier and out of a sweet female from the respected Ballechin Charity line. Her productions include Fernwood Charity 88, the show heifer selling as Lot 45, and a show bull exported to the Ministry of Agriculture of Japan last summer. Bred to Fernwood Explorer.

White, J. & D. P. MacGillivray

GLASTULLICH AUGUSTA OPAL — When the late Otto Grosse imported the famed Glastullich herd, we certainly never thought this grand female would ever leave. As a special attraction, however, she is included. Note how carefully she has been line-bred to the great Calrossie Harmony. Here is pure Calrossie breeding at its best — the kind that would cost hundreds of pounds in Scotland. This is the kind that is seldom offered for sale. She's a grand young individual with an exceptional red bull calf at foot by Bapton Guardsman born Jan. 7, 1967. Rebred to Allwood Rustic King.

FERNWOOD GLORIA — Strictly imported and strictly topnotch is this daughter of the grand Easterlovat Gloria that had given Fernwood many of its best and established a profitable and prolific female line. The pedigree is almost pure MacGillivray at its very best. Sired by our own Denver champion Glastullich Cock Robin, this is one of his last daughters to sell. Bred to Louada Rothes King.

WITH GREAT RELUCTANCE, Fernwood offers 14 daughters and granddaughters of the popular champion Glastullich Cock Robin. They were originally slated for the sale before the premature death of their great sire. These will be the last of his daughters to be offered and they are spared only because much of the cow herd is still to calve to him.

Many of these Cock Robin females are in calf to the strong young Allwood Rustic King, our choice of the Louada Rothes King sons to bring that great bloodline to Fernwood. Nowhere else this year will you have the opportunity to buy calves in dam carrying this pedigree combination. Here is a blending of the best from Fernwood and Louada . . . bloodlines that have stood for excellence for generations. It is your chance to tie to the success of these great herds.

Selling 14 Daughters and Granddaughters of the

FERNWOOD CHARITY 88 — Here's a real show heifer that can't miss as a brood cow in your pastures. By Glastullich Roan Robin, our 1964 American Royal grand champion, her dam is one of the most consistent imported daughters of Glamis Grenadier. Selling open so that you can show her as a spring yearling before putting her to work. Mark her as a likely investment at any price.

FERNWOOD DUCHESS — Many visitors to the farm have chosen this heifer as our best. She comes by the distinction rightly with two crosses of our valuable Glastullich Rosewood tribe in her pedigree. Her sire is the 1964 American Royal grand champion Glastullich Roan Robin that topped our sale that year to Rasmussen Brothers of Iowa. Her dam is one of the best type cows on the farm and one of our most consistent producers of good ones. Bred to the \$25,000 Bapton Guardsman.

Aldie Augusta Vere
Red, Finlay MacGillivray

FERNWOOD AUGUSTA 6th — Here is one of the first chances to own a calf by the popular All-American Allwood Rustic King. Augusta 6th is a daughter of one of those wonderfully feminine females acquired with the purchase of the Islabank herd in Scotland. She is by our National Western and Ft. Worth champion Glastullich Cock Robin. Note the attractive bonus of the Cruggleton Bilsland blood in the third generation.

Lot 49 FERNWOOD RACHEL 88 3278-325

FERNWOOD RACHAEL 88 — Glastullich Roan Robin was grand champion of the 1964 American Royal after topping our sale that year to Rasmussen Brothers. Rothes Ruby is one of those exceptional James Durno females that are increasingly hard to find these days. Anyone looking for an exceptionally nice open heifer is sure to mark this one. Her beautiful imported pedigree will make her more valuable as a brood cow each year. Sells open.

Lot 50 ROYAL TARTAN ELIZA JANE 3304-836

ROYAL TARTAN ELIZA JANE — Few daughters of Louada Rothes King have or ever will be sold. Small wonder, when they produce females like the 1966 International supreme champion! Denend Eliza Jane is an imported daughter of Glamis Benefactor, undefeated supreme champion of Great Britain whose sons and daughters swept the boards for KC in 1966-67. Purchased as a replacement female, she is catalogued only because we want to make this sale the best at Fernwood to date by a wide margin. Bred to Fernwood Lord.

R T BROADHOOKS LOLA — A special attraction, here is one of the first daughters of the International supreme champion Aberfeldy Field Marshal. She provides the rare and highly successful combination of two of the breed's best stock bulls, Calrossie Diamond and the AAA Aberfeldy Royal Robin.

ROYAL TARTAN ELIZA JANE, Lot 50.

SPRING JILT SUE 2nd — Those looking for substance and scale in a brood cow will mark this daughter of Whitehall Grenadier. The Aldie Jilts have produced long and well on both sides of the Atlantic and this one has the same quality that made the Edellyn Jilts the breed's most formidable show heifers. Remember too that Bapton Craftsman was the last bull imported for Edellyn. He later sired scores of good ones for Mrs. Hugh Fenwick of Boll Weevil. In calf to the All-American Allwood Rustic King.

R T BROADHOOKS LOLA, Lot 52.

R T AUGUSTA BRAE — B F Regalia's Braemar sired many good ones in the Royal Tartan herd including the 1965 International reserve senior champion female that was exported to Japan. Louada Regalia was the \$20,000 International reserve junior champion son of Bapton Constructor. With Morphie Elect and Leveldale Crest on the dam's side, along with the dependable Hickories Augusta Brae line, this female comes by her size and scale naturally. In calf to Fernwood Lord, All-American and Denver first-prize winner.

These are the highways to quality. The Holiday Inn, shown as headquarters, is on a small road called River Road that runs between highways 31 and 90 at the southeast corner at their intersection. Consult the inside back cover of this catalog for the exact address.

Luxury 4th is an excellent daughter of Denend Constellation, stock bull at Louada and the son most closely resembling his sire, Bapton Constructor. In calf to Fernwood Lord, winner of the summer yearling class at Denver and an All-American.

GENERAL SALE INFORMATION

TIME AND PLACE

The sale will be held at Fernwood Farm, Barrington, Ill., Saturday, May 27, 1967, starting promptly at 12:30 p.m. Fernwood is located on Illinois 62, 38 miles northwest of Chicago, three miles southwest of Barrington, 12 miles northeast of Elgin and 25 miles northwest of O'Hare International Airport. For complete directions see the map on page 21 of this catalog.

TRANSPORTATION

Barrington is on the main line of the Chicago & Northwestern railroad. Elgin, just 12 miles away, is on the main line of the Union Pacific and the Milwaukee railroads. The staff of Fernwood Farm will be happy to meet you in either city given advance notice of your arrival. Fernwood is about an hour's drive from Aurora, Ill., which is on the main line of the Burlington railroad. If you would like to be met in Aurora, please contact the sale manager. Fernwood is a short drive from O'Hare International airport. Rental cars are available at O'Hare or we will be happy to meet your plane. Return transportation to each of these cities will be available after the sale.

TELEPHONES

On sale day call 312-381-6390. The farm office phone is 312 DU 1-3245. Ralph Peak home telephone is 312 381-2620.

SALE HEADQUARTERS

The Holiday Inn, 345 River Road, Elgin, Ill., at the junction of Hwy. 31 and the Northwest Tollway. Tel: (312) 695-5000. Make reservations direct or to the sale manager or Fernwood Farm. Transportation between the motel and the farm will be available on sale day. For those driving, signs in the motel will direct you to the farm. Also see the map on page 21. Other good motels are available in the area. Those arriving after the Holiday Inn has been filled will be accommodated elsewhere near the farm. We urge you to make reservations early, but if this is not possible, contact the Fernwood Farm office on your arrival.

GUARANTEE

All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Ass'n. A condition of this guarantee is that notification of failure to breed be made to Fernwood farm in writing within six months of the date of the sale.

HEALTH

All cattle selling will comply with the health requirements of the state of Illinois and interstate health certificates will be furnished. Official calfhood vaccination of heifers for Brucellosis is practiced. The herd is Brucellosis free on certificate 1555. Fernwood is in the process of becoming accredited tuberculosis free and passed its most recent negative herd test in March. All females selling in calf more than 60 days will be pregnancy checked and all bulls old enough will be semen checked. Weights and performance test information will be available on all bulls selling.

BREEDING DATES

A complete list of breeding dates and other pertinent information will be supplied on sale day. Announcements from the auction block will supersede any other material, written or oral.

TERMS

Terms of the sale are cash or check to the clerk at the conclusion of the auction unless other arrangements are made in advance with Fernwood Farm. All sales are final as soon as bid off and constitute a contract between buyer and seller. The auctioneers' and sale manager's marked catalogs will be the final authority in the event of any dispute over the final price. All attending this cattle sale do so at their own risk, although every precaution will be taken to guard against accidents. The sale manager and his staff, the auctioneers, ringmen, clerks and consultants were hired for specific promotional and clerical tasks and have no connection with the condition of the premises, handling of the cattle, or fulfillment of the contract. They assume no liability.

DELIVERY OFFER

Fernwood Farm will offer free delivery at a convenient date to central locations in the vicinity of Omaha, Cleveland, Pittsburgh, Richmond, Atlanta and Louisville.

LUNCH

Will be provided on sale day.

DINNER

Be the guest of Fernwood Farm at dinner the night before the sale at Fernwood Farm.

SALE STAFF

Bids may be directed to any member of the Fernwood Farm staff or to the following men, each of whom will attend.

C. D. SWAFFAR, executive secretary, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb., 68124. Tel: (402) 393-7200.

DELIVERY OFFER

Fernwood Farm will offer FREE delivery at a convenient date following the sale to central locations in the vicinity of Omaha, Cleveland, Pittsburgh, Richmond, Atlanta and Louisville. From these points economical group transportation to other points can easily be arranged.

ARRIVE EARLY

Come as early as you like on sale weekend. Plan to be Fernwood's guest at a buffet dinner at the farm the night before the sale.

These are the dams of cattle selling, mostly the great imported females from Glastullich.

Left: R T Augusta Brae, Lot 53 and Sunnyland Lavender 8th, Lot 54.

— 801 — 54-837

HOW DO YOU buy a stock bull? Find the bull first and then hope that the pedigree measures up? Or do you search for that faultless pedigree and hope for conformation? No matter how you go about it, you know that the road is a long and weary one. There's nothing more disappointing than travelling hundreds of miles only to find that the bull you came to see won't do.

We won't guarantee you'll find the answer at Fernwood, but the chances are far better than average. You'll be able to select from sons of Bapton Guardsman and Glastullich Cock Robin that have been grown out with their new owners in mind. They are bulls of size and character with plenty of length and gainability.

Be sure to take a look at their dams. The mighty Fernwood cow herd is acknowledged as one of the best in the world. More than half of the original herd has been culled with a ruthlessness that startles most visitors. Although there are more than 100 imported females in the herd, they're not there because of a Scottish pedigree. They're there because they're good.

Then analyze the stock bulls themselves because your bull needs the best heritage possible. Sires like the \$25,000 Bapton Guardsman, the Denver champion Glastullich Cock Robin and the young Allwood Rustic King need no introduction.

A. C. Buehler and Fernwood manager Ralph Peak have won grand success in other breeds of livestock and in a short time have made the Fernwood name synonymous with quality in Shorthorn circles. Their goal is simply stated: "To produce the very best Shorthorns in the world." And they are rapidly moving toward the achievement of that high aim.

No men are more sincere. No men have the welfare of the breed more firmly in mind. That's why you must be at Fernwood on May 27. Meet these grand folks and see first hand the enormous amount already accomplished.

They have hand-picked this sale offering knowing that top sale activity is vital to the growth of the breed. In the tradition of Edellyn, Marellbar, Melbourne and all the rest of the great Chicagoland herds, Fernwood has come to its position of leadership.

See this great program first hand on May 27 and watch history in the making.
